- Safe handling: If properly used no problems expected.
- Fire protection: Keep away from ignition sources. No smoking.
Hot product evaporates inflammable gas.
- Storage conditions: Store tightly closed in original container in cool, ventilated place. Keep away from food.

22.8 Explosion delimitation and personal protection

- Technical protection measures: None (according to most recent knowledge).
- Ingredients with value limit–monitoring: 2–Propanole = DE-MAK–value 400 ppm/m³ (980 mg/m³)
- Protective clothing: None (according to most recent knowledge).
- Breath, eyes, skin – protection: None (according to most recent knowledge).
- General measures: Do not eat, drink and smoke during work.

22.9 Physical and chemical properties

Shape: liquid Colour: clear Odour: alcoholic

Safety-relevant data:

Solidification range:	<-5 ⁰ C	Solubility in water:	fully miscible
Boiling point:	80 ⁰ C	Viscosity at 20 ⁰ C:	ca. 2 mPa·s
Flash point:	21,5 ⁰ C	pH–Value at 20 ⁰ C:	ca. 7
Vapor pressure at 50 ⁰ C:	< 110 KPa	Lower Explosion Limit (% by Volume):	3 %
Density at 20 ⁰ C:	ca. 0,876 g/cm ³	Upper Explosion Limit: (% by Volume)	15 %

22.10 Stability and reactivity

No reactions when used, applied or stored as intended.

22.11 Toxicity

- Acute oral LD₅₀: > 10000 mg/kg rat (math. calculation based on ingredients)
- Eye irritation: Potentially harmful
- Skin irritation: Potentially harmful

22.12 Ecological information

Product is biologically degradable.

22.13 Disposal considerations

According to the national procedures.

22.14 Transportation information

GGVSE:	3, VG II
UN-Nr.:	1219 + Dangerous goods label with UN-Number, from 5 L up label Class 3
Declaration:	flammable liquid
IMDG-Code:	3
IMDG-Pack-Group:	II
EmS-Code:	F-E, S-D
Hazardous chemicals:	2-Propanole
Dispatch information:	ship in UN-cardboard-boxes with hazard label class 3

22.15 Labeling information

Hazard warning sign:	None required
R – Phrases:	R 10 Flammable.
S – Phrases:	S 16 Keep away from sources of ignition. No smoking. S 26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. S 51 Use only in well-ventilated areas.

For safety rules see national procedures for alcoholic disinfectants.
